FutureCeuticals, Inc. is an industry leader in the research, development and manufacture of fruit, vegetable, and grain-based products for the functional food, cosmetics, and dietary supplement markets.

With over 1,300 conventional and 300 certified organic acres of farmland and over 1,000,000 square feet of manufacturing and research facilities in Illinois, Indiana, Wisconsin, California, Europe, and South America, we are vertically integrated from field to finished product and offer a comprehensive line of fruit, vegetable, and grain-based powders and extracts.
